WE DRAW YOUR ATTENTION TO THE FOLLOWING

1. Decree of The Ministry of Education and Science of Ukraine “On publishing of results of theses on taking a doctor’s or candidate of science degree” dated 23.09.2019 № 1220:

1) main scientific results of the thesis (carried out as a manual, a monograph or a scientific report) on taking a **doctor’s degree** should be highlighted at least in **20 scientific publications** which reveal main content of a thesis. To these belong: no more than two **monographs (chapters in collective monographs)**

2) main scientific results of the thesis on taking a **candidate of science** degree should be highlighted at least in **three scientific publications** which reveal main content of a thesis. To these belong: articles in scientific publications included to the list of scientific professional publications of Ukraine (**a monograph or a chapter of a monograph** can be accepted instead of one article, published in co-authorship) (<https://zakon.rada.gov.ua/laws/show/z1086-19#Text>).

2. According to the Decision of The Cabinet of Ministers of Ukraine “On conferment of PhD degree” dated March 6, 2019 № 167 (editing dated 01.07.2021, basis - 608-2021):

6. The scientist, who is suggested to council membership, should have at least three scientific publications published for the last five years ... **To these belong: monographs, chapters of monographs ...**

11. Main scientific results of the thesis on taking a candidate of science degree should be highlighted at least in three scientific publications which reveal main content of a thesis. To these belong: articles in scientific publications included to the list of scientific professional publications of Ukraine with conferment of “B” category (a monograph or a chapter of a monograph can be accepted instead of one article, published in co-authorship) (<https://zakon.rada.gov.ua/laws/show/167-2019-%D0%BF#n18>).

3. According to p. 6 of the Order of the President of Ukraine “Requirements for personal composition” Project of the Decree of The Ministry of Education and Science of Ukraine “On approval the Principal on specialized scientific council about conferment of doctor’s degree”:

Specialists who are about to be included to doctor council membership have to correspond to the following criteria:

having scientific publications among which: at **least one monograph (or two chapters in collective monographs)** published for the last 5 years. (<https://mon.gov.ua/ua/news/mon-proponuye-dogromadskogo-obgovorennya-proyekt-nakazu-pro-zatverdzhennya-polozhennya-pro-specializovanuvchenu-raduz-prisudzhennya-naukovogo-stupenya-doktora-nauk>).

4. According to p. 38 “Licensing conditions of proceeding educational activities dated 30 December 2015 № 1187 (editing dated 20.06.2021, basis - 365-2021)»:

Achievements in professional activity which are used for estimation of staffing in educational components, accepted for the last five years:

3) having published textbook or handbook (including electronic ones) or monographs (with the whole coverage at least 5,0 author sheets) as well as **published in co-authorship** (with the whole coverage at least 1,5 author sheet for each co-author) (<https://zakon.rada.gov.ua/laws/show/1187-2015-%D0%BF#Text>).

The following titles of chapters are supposed to be in monographs:

1. The financial system of Ukraine and EU member states.
2. Agro-industrial complex and development of territorial communities.
3. Problematic aspects of national economic development.
4. Management and marketing of implementation of business support state policy.
5. Accounting policy of enterprises.
